Dear Mr. [REDACTED]

The New Jersey Department of Environmental Protection (NJDEP) has completed the review of invoice #2262 and the subcontractor invoices submitted by Moore's Tank Service. The NJDEP has advised the New Jersey Economic Development Authority (NJEDA) to release \$12,960.10 in a two party check payable to Giovanni Massaglia and Moore's Tank Services, Incorporated.

This is your final disbursement and will close your grant award with the NJDEP and NJEDA. If you have any questions regarding this grant award disbursement, please contact Noelle Kacerek of my staff at (609) 984-2197.

Sincerely,
