Subject: LETTER OF APPRECIATION

Dear Jim,

I want you to know that I am so very appreciative of your rapid response and reasonable price in removing both the Under-ground Storage Tank (UST) and Above-ground Storage Tank (AST) from our Lindenwold campus. Your offer to pump nearly 600 gallons of fuel oil from the UST, transport it to Our Lady of Grace School and pump it into their UST significantly helped us defray our heating costs for this year.

That project was the first step in making the necessary improvements to provide a new parking area for our parishioners. It was so nice to see progress finally being made!

I thank you and your wife Jane for your support to our new parish.

Sincerely yours,

Joseph P. Capella, Pastor
