Dear Mr. Moore,

On behalf of Grace Lutheran Church I want to thank you and your men, Robert Reeves and Edwin Maldonado, for bringing the oil from the Cushner residence in Haddonfield to our congregation in Camden. Your contribution of time and man power is very much appreciated by our congregation. Thank you very much.

Enclosed is an invitation to the first of several 100th anniversary celebrations. It is a multicultural concert featuring a variety of musicians who, over the years, have had a musical relationship with Grace. We invite you, your men and your families to join us for our celebration.

Once again, thank you very much for your generous gift; we are all a lot warmer thanks to your effort.

Peace,

The Rev. Margaret E. Herz-Lane
Pastor, Grace Lutheran Church
